**Balmoral II cells and foam fitted underneath the alternating cells****Important Safety Notice**

Harvest Healthcare Ltd supplies equipment and appliances to cover a range of medical conditions. Specific choice of equipment is the sole responsibility of the clinical practitioner or carer overseeing individual patient care. Harvest Healthcare Ltd supplies a range of products such as foam mattresses, active air mattresses, tail protection mats and bed rail protection bumpers. These products are usually covered in vapour permeable PU fabric that could cause risk of suffocation in the event of prolonged face-to-face contact. Mattress risk categories are to be used as a guide only. Risk assessments specific to user must be carried out prior to the use of all products. Preclinical and data contained herein may undergo development and may therefore deviate from the details given.
